# Military Review

The Professional Journal of the United States Army

Since 1922, *Military Review* has provided a forum for the open exchange of ideas on military affairs. The publication focuses on concepts, doctrine and warfighting at the tactical and operational levels of war and supports the education, training, doctrine development and integration missions of the US Army Combined Arms Center and the Command and General Staff College at Fort Leavenworth, Kansas.

*Military Review* is printed bimonthly in English and Spanish and quarterly in Portuguese. Distributed to readers in more than 100 countries, *Military Review* is widely quoted and reprinted in other publications throughout the world and is a readily available reference at most military and civilian university libraries and research agencies.

To order your subscription, mail a check or money order today or call Mrs. Merriam Clark, Subscription Manager, at (913) 684-9326 or DSN 552-9326 for more information.
